Of the cost of processing the request is expected to exceed \$50, or if you have not paid for a previously granted request, the Agency will require a deposit before processing the request.
3. **What are the Agency's fee deposit requirements?**
 - a. If the Agency has made a good faith calculation that the total fee for processing the request exceeds \$50, the Agency will require that you provide a deposit in the amount of 50% of the total estimated fee. When the Agency requests that deposit it will provide you a non-binding best efforts estimated of how long it will take to process the request following receipt by the Agency of your deposit.
 - b. If the Agency received a request from a person who has not paid the Agency for copies of public records made in fulfillment of a previously granted written request, the Agency will require a deposit of 100% of the estimated processing fee before it begins to search
